Dear Student, dear Agent

Greetings from CEL College of English Language in San Diego. Every year, students from all over the world choose CEL for its location, quality, value, and friendly atmosphere. We appreciate your interest in CEL, and we hope to welcome you to our school soon. Please note the advantages of our language school:

- CEL was established in San Diego in 1981 and is registered with the State of California.
- CEL is authorized to issue the **I-20** to students entering the United States on a **STUDENT VISA** to take any courses in our English Studies Program (ESP). If the main purpose of your visit is English studies, you must apply for a student visa. ESP courses include 20 or more lessons per week.
- CEL also offers a Cultural Immersion Program (CIP) for clients whose main purpose of travel is sightseeing. A student visa is not necessary in such cases, so no I-20 is issued to clients enrolling in CIP English courses. Our Activities Coordinator can assist you with your sightseeing and travel needs. CIP English courses include 16 or fewer lessons per week.
- CEL has an **Internet Cafe** that gives students **FREE** access to the internet and email.
- CEL has a **computer lab** for exam preparation and general English improvement.
- We offer our popular 30-lessons per week **Cambridge Exam Preparation Course** three times a year.
- We have a **24-hour relocation guarantee** for housing assignments if you are not completely satisfied.
- CEL has an **Activity Coordinator**.
- CEL now offers a 16 or 20-lessons per week **TOEIC / TOEFL Course**.
- **CEL is an official TOEIC test center.**
- Courses start **every Monday**
- All CEL classrooms have windows.

### **Welcome to San Diego - welcome to California!**

San Diego is a large, attractive city, situated 180 km south of Los Angeles. There are over 33 beaches up and down the San Diego coast, from Encinitas to the island of Coronado. San Diego also provides the opportunity to play golf at 78 different golf courses or tennis at numerous public or private facilities. At Mission Bay you can take part in every imaginable type of water sports.

The cultural heart of San Diego is Balboa Park, which includes the world-famous San Diego Zoo; the San Diego Museum of Art; the Old Globe Theatre, a reproduction of Shakespeare's theatre in London; the Automotive and Aerospace Museum; the Natural History Museum; and the Hall of Champions (a museum of sport history). Attractions apart from Balboa Park include Sea World; the La Jolla Museum of Contemporary Art; the Civic Theatre, home of the San Diego Symphony Orchestra and San Diego Opera; and Qualcomm Stadium, where San Diego's major league football and baseball teams compete.

Other areas of interest include Old Town and the Gas Lamp Quarter, as both areas feature numerous museums and examples of 19th-century American architecture. For science buffs, the world renowned Palomar Observatory is a mere one-hour drive from Downtown San Diego.

La Jolla and Del Mar, famous for their elegant seaside boutiques and fine restaurants, are located in the northern part of the county. For those seeking even more excitement, Disneyland, Hollywood, Beverly Hills and Magic Mountain are a mere two-hour drive from the city.

### **Welcome to CEL - welcome to over 25 years of Experience!**

CEL San Diego is located in the heart of beautiful Downtown San Diego within walking distance of many worthwhile attractions. We offer 8 different basic language courses, in addition to other specialized courses which are offered periodically, according to student demand. For the schedule of classes, tuition and homestay fee, please refer to the enclosed insert.

Lessons are structured in such a way that one studies all aspects of the English language: grammar, reading, writing, vocabulary, as well as conversation. CEL also offers special exam preparation programs for TOEFL (which is required for admission to American universities), TOEIC, and the Cambridge First and Advanced Certificate Exams. CEL is, in fact, an official Southern California test center for the TOEIC. In addition, special Business and Private classes are available. It should be mentioned that CEL is a school for serious students interested in learning.

At CEL, the students are the center of attention. Our friendly, active learning environment and our qualified team with years of experience in teaching English as a Second Language provide a setting in which the students not only learn, but flourish. The vast majority of our students hear about CEL from friends and family who have attended our school.

When school is out, we know how to have fun, too. CEL regularly organizes school trips to such destinations as Disneyland, Mexico, San Francisco and Las Vegas. Also, some kind of sport or recreational activity is organized for the entire school every week.

Valid from Jan 01.2006 - Dec 31.2006
