TEEN CAMPS IN BEAUTIFUL SOUTHERN CALIFORNIA

## SCHOOL

Our school is situated in the heart of downtown San Diego, where you can enjoy a variety of activities, including sports, shopping, dining, farmers markets, and festivals in what is known as America's Finest City! The popular Horton Plaza shopping mall is just a short walk from the school. We are also close to the Gaslamp Quarter and Little Italy, which is home to San Diego's most dynamic food and festival scene.

Choosing CEL ensures you the best education. In addition to being a CEA and EnglishUSA accredited school, all of our teachers at CEL are native English speakers. Our classrooms are modern, integrating technology into learning in order to connect with students of all learning styles. CEL also provides free Wi-Fi and air conditioning in each classroom.

## TEEN COURSES

The CEL Teen Camps gives you an opportunity to discover the beauty of living in the USA while meeting other students from around the world. CEL Teen Camps provides English language instruction that has been designed specifically for young learners of all levels between the ages of 12-18, from Basic to Advanced English. Students will have 20 lessons per week, 4 lessons per weekday. You will learn all aspects of English including speaking, listening, vocabulary, grammar, and writing.

Each class will be small and personal, with a maximum of 15 students per class. Smaller classes mean more opportunities to participate and more individual attention. With fewer students per class, you will also become more confident in speaking and asking questions, giving you a better understanding of the lessons as well as a closer relationship with your class.

### PROGRAM DATES 2019

Summer: June 29 - August 17

Winter: January 5 - February 2

Course start: every Monday

## ACCOMMODATION

As a student in the program, you will stay with one of our wonderful host families! Staying with a family helps you to speak English outside of the classroom and build lifelong relationships with your hosts. Our host families are carefully selected and personally interviewed before being permitted to host any of our students.

All CEL homestays include a shared room accommodation with breakfast and dinner, towels and linens, and often free wifi. CEL students can take advantage of San Diego's public transportation system to get around town. All the families are an average of 45 minutes away from the school by bus or trolley.

### SHUTTLE SERVICE

For younger students who may not feel comfortable using public transportation, the families provide a shuttle service where the host family provide drop-offs at the school in the morning and pick-ups after the activities during the week, Monday through Saturday.

### PREMIUM FAMILIES

"Premium" Families include a shorter commute to and from school with only one bus connection and a maximum 35 minute travel time. Shuttle service and premium host families are limited, so make sure to book in advance!

You can also choose to stay in a single room accommodation as well. Single room accommodations are perfect for the student who would like more room or privacy.

### LUNCH

CEL provides lunch from Monday to Friday at school. You will enjoy a variety of delicious meals with your friends and classmates before you head off to an exciting afternoon activity.

## SUPERVISION

Students will be supervised on campus during school hours and during scheduled activities. CEL cannot ensure 24/7 supervision of the student. Students won't be supervised on their way to school and back or on their free afternoons and Sundays.

## AIRPORT TRANSFER

CEL can arrange airport transfers for your arrival and departure to and from your host family. Whether you fly into San Diego International Airport or LAX, CEL will make the pick up arrangements for you! A driver will pick you up from the airport and drop you off at your host family and/or drop you off at the airport from your family's home.

## ACTIVITIES & EXCURSIONS

CEL knows that part of your learning happens outside the classroom, so CEL plans and arranges a fun and exciting activity program full of excursions in and outside of San Diego for you! From local hotspots to California's best cities, you and your classmates will be able to take advantage of all of what Southern California has to offer.

CEL makes sure you get the best experience possible while you are studying in the USA. During the week, you can bond with your classmates while playing games such as flag football and baseball in the San Diego sun! Or cheer for our local Major League baseball team The Padres at Petco Park! Our Activities Department has a variety of exciting things planned for you.

On Saturday, you can come with us on adventures to Disneyland, Seaworld, Universal Studios, Los Angeles and much more without the hassle of planning it yourself! CEL provides transportation so you can visit the attractions with your classmates.
